

FREE COURSES for ELIGIBLE LOCAL 706 MUAHS MEMBERS COURSES SUSPENDED

)))) SAD NEWS

Effective immediately, Contract Services (CSATF) has suspended the Skills Training Program, including Eido online courses funded by the Training Trust Fund. We deferred notification until we were able to confirm the details with Contract Services, and your Local was able to inform the membership. Contract Services has approved a few pre-scheduled courses to run until April 30 (already full with long wait lists), and the remainder have been cancelled.

We wish we had better news! It has been a pleasure serving you, and we look forward to providing you and your Local with our 5STAR Training Experience as soon as the funding resumes for these courses.

Please contact CSATF at (818) 847-0040 or reception@csatf.org for additional information.

Stay tuned! And stay safe.

Best,

Team Eido
